COMPLETE *Revolver* Disassembly / Reassembly

with **Jerry Miculek**

This program is an easy-to-follow guide to the complete disassembly of the Smith & Wesson K, L, and N frame revolvers. You'll see how to take your revolver down part by part to the very last part and then put it back together so that it functions perfectly! Plus, you'll see and learn all the maintenance, how each part relates to one another, trouble shooting tips for wear and replacement of parts and complete cleaning and lubrication tips and techniques. All of this is presented by Jerry Miculek, the fastest, most accurate revolver shooter to ever live. Jerry knows revolvers inside and out and in his easy going style he'll show you everything you need to know about disassembly, reassembly, cleaning and maintenance.
